SAA Registration and Performance Requirements / Membership (keep this part)

To qualify as a participant in training courses, applicants must submit a videotape audition of specified repertoire to the SAA , preferably prior to enrollment. Tapes should be submitted a least 8 weeks prior to the course start date, with the required fees and a completed application form. If submitted later audition results determining participant eligibility may not be available prior to the course, and will require late audition fees. Tapes submitted later than May 15, 2011 may not receive audition results prior to the course, even if you meet the 8 week deadline. Applicant may enroll late as "tape pending", but will incur late audition fees, and audition results determining eligibility for participant credit will be available after course completion. If auditions from "tape pending" applicants are not accepted, their course work will not be eligible retroactively for SAA credit registration as participant, only as an auditor.
